DEDICATION

Our Mission

Sarah's Fund for Cedars is dedicated to support the needs of the Pediatric Hematology – Oncology patients and their families by providing the best patient care to improve the quality of life for young cancer patients on the Sarah's floor (7B) at the new Montreal Children's Hospital.

Our Vision

Sarah's Fund for Cedars strives to make a meaningful difference in every child's life that has been touched by cancer at the Montreal Children's Hospital at the MUHC.

About Sarah's Fund

Sarah's Fund for Cedars was started in 2001 by Sarah Cook, an eight-year-old girl battling Ewing's Sarcoma who was determined to make it a little easier for the other children on the floor by buying new pillows.

For over 17 years, Sarah's Fund has gained momentum and continues to support the efforts of the professionals who make a positive difference in the lives of hundreds of children and their families every year.

The fund supports the pressing needs of the Pediatric Hematology-Oncology Division by providing the best care to improve the quality of life for young cancer patients on Sarah's Floor, at the Montreal Children's Hospital.

Sarah's Floor, the Hermatology-Oncology In-Patient Ward serves critically ill patients who suffer from cancer and leukemia. These young patients have specific needs and often experience longterm hospital stays, which can be difficult and stressful.

Thanks to the enthusiastic giving of our Montreal community corporations and through special events, Sarah's Fund has raised over 12 million.

About Splash & Dash

Splash & Dash is the signature event for Sarah's Fund at Cedars that raises critical funds for the needs of young cancer patients who are hospitalized on Sarah's Floor. Already, over 2 million has been raised through Splash & Dash—this special event where the heroes on Sarah's floor, corporations, students, friends and family members Swim, Bike and Run for a cause.

The organizers of Splash & Dash, want to Go Beyond their wildest dreams and raise \$275,000 for the needs of children hospitalized with cancer on Sarah's Floor. Now in its 17th year, Splash & Dash wants to raise even more for pet therapy, music therapy, Dr. Clown, nurse training, social services and other hero worthy programs.
