OUR MISSION

Sarah's Fund for Cedars is dedicated to supporting the needs of Pediatric Hematology-Oncology patients and their families on Sarah's Floor at the Montreal Children's Hospital. Sarah's Fund's mission is to provide the best care to improve the quality of life of young cancer patients.

OUR VISION

Sarah's Fund for Cedars strives to make a meaningful difference in every child's life that has been touched by cancer at the Montreal Children's Hospital.

ABOUT SARAH'S FUND

Sarah's Fund for Cedars was started in 2001 by Sarah Cook, a then eight-year-old girl battling Ewing's Sarcoma. Sarah was determined to make life a little bit easier for the other children living on the Hematology-Oncology floor, so she started raising money to buy new pillows so that her and her fellow patients could rest more comfortably.

Today, over 22 years later, Sarah's Fund has proudly raised over \$4 million dollars thanks to the enthusiastic giving of our Montreal community, corporations and through special events like Splash & Dash.

Sarah's Fund is committed to funding innovative research and technology to improve patients' lives and outcomes. Over time, your dollars have pushed the limits of what is possible in Pediatric Hematology-Oncology. We continue to maintain at the forefront of discovery thanks to you!

ABOUT STROLL & DASH

Stroll & Dash, previously known as Splash & Dash, is the annual signature fundraising event for Sarah's Fund where the heroic patients from Sarah's Floor (our heroes), corporations, students, friends & family members take part in a family friendly walk or run race and activities in support of this important cause.

Since its inception, Splash & Dash has raised over \$4 million dollars to support the needs of young cancer patients hospitalized on Sarah's Floor and to maintain the excellent services and programs available to our heroes.

This year, the funds raised through Stroll & Dash, a walk, run, or stroll race, will support C.A.R.E, a new cutting-edge program that address the psychological needs of our Pediatric Hematology-Oncology patients and their families. Over the next three years, Sarah's Fund is committed to raising \$365,000 for this new initiative.

We hope that you will join us in raising enough money to continue providing the best care possible for our young heroes through the new C.A.R.E. program as well as the many other excellent services and programs available on Sarah's Floor at the Montreal Children's Hospital.
